Truth, justice, goodness and mercy for Daniel Duggan

Please
do what
you can

Daniel Duggan was born in the USA. He has been an Australian citizen since 26 January 2012. He is the husband of Saffrine and the father of 6 children. He is accused by the US of conspiracy, money laundering, and training Chinese pilots. Most of the charges relate to the time when he was an Australian citizen. He denies all charges.

Dan has broken no Australian law.

However, he has been in maximum security for over 18 months. If extradited to the US, he could face 60 years in prison.

The case now rests with the Australian Attorney-General, Mark Dreyfus. He has the power to send Dan to the US soon.

*Justice must not only be done, but must be **seen** to be done.*

There are numerous legal and political questions that affect the case.

People from other nations worked with Daniel Duggan in the same South African aviation business. The US has named them as conspirators, but not one has been arrested.

Australian intelligence services are involved in ways that are questionable.

Is this good enough for Dan,
for you – for us?
